Mini-T2 Terrarium

The Reptile One 'Mini-T2' is the perfect versatile, glass starter terrarium for small geckos, hatchling snakes, skinks, scorpions, spiders or stick insects.

The Mini-T2 features raised feet to allow placement of a heat mat and enables the enclosures to be stacked. The super fine steel mesh lid provides added security and ventilation.

The Mini-T2 provides the ultimate viewing area for you and your reptile or insect which will provide endless hours of enjoyment for years to come!

Suitable for Invertebrates & Hatchlings

Features & Benefits:

- Glass body with secure steel wire mesh lid
- Stackable and durable
- Raised feet enables placement of heat mats
- Raised feet provides gap for ventilation if heat mat is used
- Provides maximum viewing area
- Available in multiple sizes to suit a wide variety of invertebrates and hatchlings
- Easy to maintain and clean

Products to suit this range:

Reptile One has a wide range of products to style your terrarium. Add a splash of colour and life with realistic looking plants, rocks and logs designed to replicate your reptile's natural surroundings to let your critter feel right at home!

View the full range at www.reptileone.com.au

Warnings & Disclaimers:

- Regular cleaning of your terrarium is recommended. When cleaning glass surfaces, DO NOT use harsh household cleaning chemicals as it may be harmful to your animal. We recommend using Reptile One Cage Cleaner (#46225 or #46227), a scientifically formulated combination of bio-degradable detergent and powerful anti-bacterial agents.
- Do not stack more than two (2) Mini-T2 enclosures on top of the base enclosure (max =3).
