

Dyno Hammock

The Reptile One Dyno Hammocks allow you to create the perfect resting place for your reptile. Constructed from seagrass material, the Dyno Hammocks features suction cups and leather straps that can be attached to glass, plastic or acrylic within your enclosure.

With three different styles available, create a multi-dimensional environment for your lizard friend!

Suitable for Bearded Dragons, Water Dragons, Geckos, Pygmy Monitors and other climbing lizards

Features & Benefits:

- A suspended hammock for your reptiles to rest, climb or play on.
- Excellent for climbing lizards; such as Bearded Dragons.
- Create a multi-dimensional environment for your lizard friend.
- Can be used on glass, plastic or acrylic enclosures.
- Natural colour blends well into any habitat.
- Provide a comfortable and elevated spot for your reptile to bask or cool down.
- Removable and easy to clean
- Available in three different sizes.
